
Notes:

Largely a corrected version of
Stephen Giles' 2002/02/02 schematic

First version. Narrow Box only. 3 transistors.
(Wide box and re-issues use second version. 4 Transistors.)

Some units Q3 may be BC169B
Some units C7 may be 4u7
Some unit RV3 replaced with single 1M1 (series?)
Film caps, except C7.
