

Danelectro Surf & Turf

Reversed by Cow4prez Aug 2008

Component numbering according to manufacturer

C1815 Audio frequency amplifier

Red components on main board, Blue on switching board

Switching components left out for simplicity

all resistors are 3mm carbon film

R8 & R9 flank CD4053, eliminate one from schematic

ID of electrolytics may be inaccurate

All non polar caps are polyfilm, C107 tantalum
